Hi there!

We've had some  
wonderful times at Howe  
this year --- every thing  
from homework to club  
parties, sports to dances!  
Here's a line to give you  
the details . . .

Walking through the tower door, up the steps and glancing to your left will bring to you a scene like this. A quick exchange of gab and the guys rush off to walk their favorite gals to class.

The kids at Howe really are swell. There's never a dull moment as long as you can meet your friends in the alcove—after school in the parking lot—or even in the bookstore. We will always have memories of so many good friends, and so many good times, at Howe.

... Howe sure has

Want a contrast? That's what you'll find in our parking lot—anything from a Model T to a luscious hard-top. Oh, well, it's transportation!

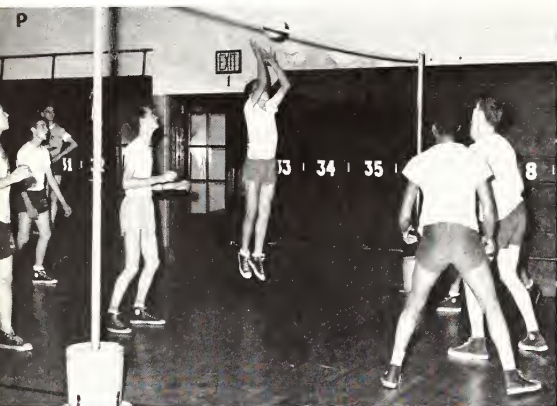

## *swell kids . . .*

What'll you have? The bookstore has everything to offer from a gym suit to a hairnet. Just relate your needs to Mrs. Burkart and chances are she'll have just what you want.

Schedule three usually means one thing: there's going to be an assembly. Homeroom period is short and soon everyone is in the gym, watching a program full of interest.

Hot, tired, or just plain poohed? That's a sure sign you've been playing volley ball or practicing pushups in physical education classes.

Looks like fun, doesn't it? Well, poster classes are fun, and they're really a big help to everyone who needs advance or last-minute publicity.

If you want to hear some close harmony, give a listen to the boys' glee club. (For a group without experience they do a fine job.)

## *Classes*

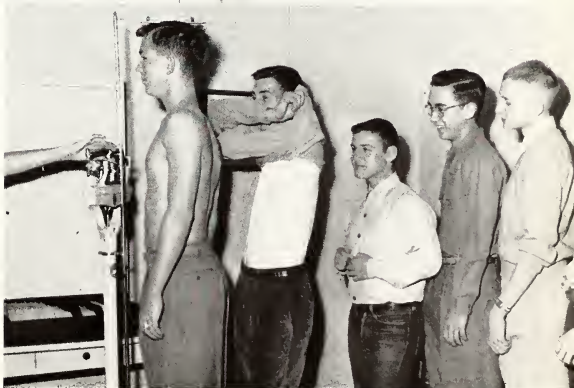

Girls, too, get tired in physical education classes. Maybe modern dance doesn't look so exhausting, but the girls will tell you that it really is.

Too close for comfort? A situation like this is rather common in driving classes and, surprisingly enough, few mishaps ever result.

Is your waistline getting pudgy? Better take a hint from these boys in health class and count your calories.

*are fun . . .*

Little groups like these were often seen during government periods, as election time approached. Of course, they were strictly business!

"Say, what's this?" asks Marilyn Franz, as she watches Mike Dawson work intently over an experiment in physics. Technically speaking, it's known as conservation of momentum.

## *but still hard*

Here are some of our future geniuses! Look at the problem Bill Thompson is doing for Mr. Belding. Gosh—it sure looks harder than senior math.

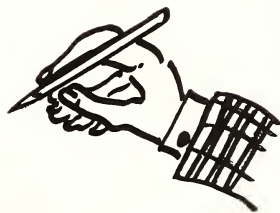

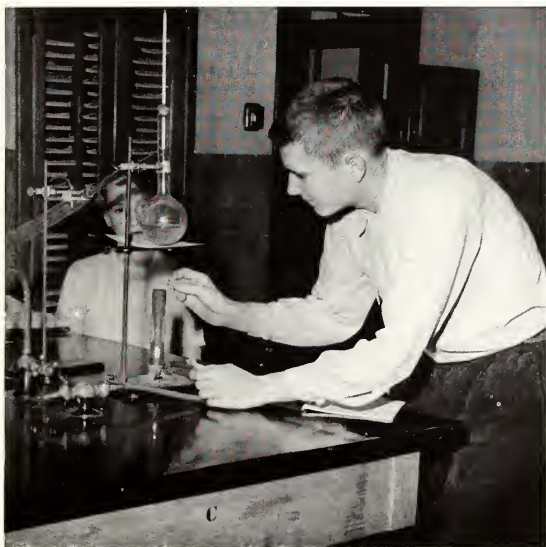

Gary Crawford doesn't look so dumb either as he works intently over the bunsen burner. It looks easy—but, have you ever tried it?

All these things may look easy but they are still hard work.

The woodshop is always the scene of a lot of activity. Every boy is intent on finishing that salad bowl or end table as soon as possible. Not too soon though, for it takes lots of time to get the professional-looking results.

*work . . .*

Queen Carol waits with attendants Alice Ray, Barbara Swengel, Marilyn Franz, and Judy Miller . . .

for Philosopher Tom Sheppard to crown her the official Violet Queen of '52.

## *. . . remember Carol . . .*

"Rain, rain go away; come again another day." This wishful thinking was heard all day long as Howe prepared to celebrate its fourteenth birthday. But Lady Luck wasn't with us, and for the first time in Howe's history, the May Pageant was held indoors. Props were rushed to the gym, and soon Carol Carmichael was crowned Violet Queen by Tom Sheppard, Philosopher. With her court: Alice Ray, Barbara Swengel, Marilyn Franz, Judy Miller, and of course, the little crown bearer Nancy Geier, she watched the traditional Maypole Dance and other dances showing the progress of Howe. These were performed by the girls' physical education classes.

# . . . the Brown & Gold . . .

Thirteen certainly proved to be a lucky number for the juniors this year. Carol Pryor, Golden Girl, and Jerry Lowe, Brown Boy, both juniors, presided at the 13th annual Brown and Gold Dance, sponsored by the HILLTOPPER. The jinx of number 13 was chased away by a huge gilded horseshoe hanging from the center of the gym.

During intermission the eight candidates, chosen by the juniors and seniors, were presented and the winners were announced. Later in the program they led the colorful grand march.

A record breaking crowd left the gym full of happy memories, after dancing into the wee hours of the night (12:00 a.m., that is).

In the usual order candidates Bob Pirtle, Daisy Harrison, Louis Hoynes, Shirley Stewart, Ronnie Fox, Liz Johnson are shown with B. B. Jerry Lowe and G. G. Carol Pryor.

Last minute instructions for . . .

The grand march.

"Whew—made that one!" Dave Taylor grins with relief as Tom Carnegie chalks up a right answer for Howe. This all took place during Howe's round of "Quiz Em On the Air." But our right answers didn't come as fast as Lawrence Central's, and we were a few points short in the final round.

. . . *the*

Santa got plenty of Christmas lists this year! Everyone at the Winter Wonderland Dance seemed to have a special item he wanted Santa to drop in his stocking. Here Carol Gainey and Ted Bechtel put on their looks of innocence and confide in good ole St. Nick.

"Juniors make history." Yes, for the first time in the Howe's history the juniors held a prom. The idea started in the fall and kept getting bigger and bigger until, what do you know? There we were, on May 10, 1952, dancing and having a lot of fun at our first Junior Prom.

"Working up steam!" Yes, sir! That's our cheerleaders. These are the energy-packed kids who spend lots of time practicing and then at every game exert all their vigor and vim leading us in high-spirited yells. Starting the favorite "Locomotive" are Morris Cobb, Carol Carmichael, Ed Stevens, Sara Johnson, Ted Bechtel, and Arlene Hinkle.

## *fun we've had . . .*

Along with class jewelry, class colors, and a brand new homeroom in the cafeteria, comes a committee job for each senior. That means getting together after school to combine ideas for parties, or more seriously, to revise the class constitution. But, of course, as you see here, seniors have fun, too, even while they work.

"No boys allowed." That's the ruling which comes every year before the All-Girl Christmas Party, when the feminine half of Howe gets together and really has a big time singing carols and playing games.

Marcia Shick shows DAR Good Citizen Rita Nagle snapshots she took while representing Howe at the U. N. this fall.

Norman Wilkens and Marcia Shick recipients of the American Legion Citizenship Award for juniors receive congratulations from Dr. H. H. Nagle, of Irvington Post No. 38.

"Let me call you sweetheart." Boys of the Senior Hi-Y whistled this familiar refrain as they prepared for their annual Sweetheart Dance. Naturally, each fellow thought his gal would make the perfect sweetheart, but when the candidates were announced, we found Marcia Shick, Carol Pryor, Marilyn Franz, Sharon Klusman, and Helen Bunce vying for the honor. Finally, on February 21, the big night had arrived; and Marcia Shick was introduced as the 1953 Hi-Y Sweetheart.

Drum majorettes that you saw performing so well at the football games this year were Shirley Hill, Janet Steffy, Jacque Wooden, Mary Lou Richards, Suzanne Decker, and Beverly Clark.

THE FEDS MADE IT—and how! The Nationalists stared in awe as the election results showed a landslide for the Federalists. Mr. Kaylor reports that it is the second time such an occurrence has happened at Howe, and, believe me, the Nationalists hope it's the last time. The Nationalists did make a few gains in the county elections, which were held in the government classes.

## *and also*

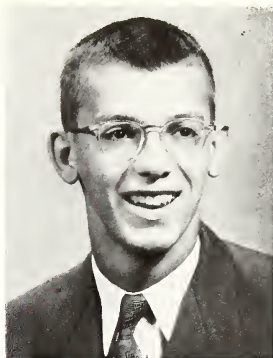

Carol Ranson, Federalist and Jay Draper, Nationalist, view a few of the many campaign posters made for the election. Looks as though the FEDs were hogging the board.

Tom Sheppard, Jim Miller, Ted Helkena, and Gary Crawford, four of the key campaigners, do some good-natured boasting before the election.

Remember Dick Wood? Even though Woodie was injured in a football game last fall and couldn't take part personally in the election campaign, caucusing Federalists still felt he was their best candidate. The party convention confirmed their choice, and soon everyone was talking about that little guy with the short burr. Campaign posters with "Vote for Woodie" on them were up next morning and the whole party did their share of campaigning. It wasn't in vain either, as Woodie was elected—Howe's Governor of '52.

## Governor Wood . . .

"Well lookee there—that's me." Showcases took the place of TV sets as pictures of the candidates were displayed. No commercials either.

Surprisingly enough, the voting procedures went off with little commotion. Thirty seconds was the time limit so we had to work fast.

Leroy Thompson shows his running form. Leroy was selected as the team's most valuable player. His 105 points earned him the city-county scoring championship and set a new school scoring record.

Proving powerful both on offense and defense, our Hornets fielded one of the best teams ever to play for Howe. Led by Leroy Thompson, who scored 105 points and was city-county champ in scoring (setting a new school record); the pass combination of Ronnie Fox to Bob Schrier, which accounted for six touchdowns; and the brilliant defensive work of Tom Bruce, Bill Moore, Norman Mohr, and Bill Larsh, our Hornets rolled through the 1952 season losing only to Tech and Warren Central.

Tech scored two touchdowns in the opening minutes which proved to be the downfall of our Hornets. Howe completely outclassed Southport's Cardinals to post their initial win of the season. Howe started a six-game winning streak with this victory. The victims included Manual, Broad Ripple, Attucks, Anderson, and Ben Davis. In the Anderson game, Dick Wood, a senior guard, injured his knee and was lost to the Hornets for the rest of the season. Warren struck for two touchdowns in the last half to come from behind and pin a 25-18 defeat on our Hornets.

Thompson, the city scoring champ, and Jack Shirey, the county scoring champ, each scored two touchdowns. In the final game of the season, Howe downed a weak Washington team by the score of 26-0. Bob Pirtle and Bruce both scored their first touchdowns of the long season.

At the annual athletic banquet, Thompson was voted the team's most valuable player. Ronnie Cooper, who did the punting during the season, was selected captain. Wood won the Kiwanis award for the best mental attitude. Thompson and Cooper won berths on the all-city football team.

Bob Schrier (17) dives for a loose ball in the Warren game. Howe players pictured are Armand Roach (8), Dick Slaughter (15), and Dave Mattingly (16).

Liz Johnson (Center) reigned as queen of the 1952-53 basketball season. She was crowned at the New Albany game by co-captains Leroy Thompson and Bob Schrier. (Top) Leroy makes it "official" by kissing Liz while the rest of her court looks on. (Bottom) Included in her court were Nancy Nitchman, Judy Brown, Queen Liz, Suzanne Parker, Frances Carroll. (Second Row) Susan Stirling, Joanne Cassert, and Sue Slaughter.

# is king . . .

Coach Lewis Gilfoy's boys finished a most successful season on the court with a record of 16 wins and 7 defeats. Included in Howe's victories were thrilling wins over Columbus, Lebanon, and New Albany.

Howe won its own invitational tournament by defeating Roosevelt of East Chicago and previously unbeaten Alexandria. Our Hornets drew Beech Grove in the first round of Sectional play. After winning over both Beech Grove and Broad Ripple, the Hornets fell before Crispus Attucks, the eventual champ, in a brilliantly played game. Howe sported Bob Schrier and Don Rees as its one-two scoring punch. Bob finished second in the city scoring race behind Bryant of Attucks. Together Schrier and Rees averaged a nifty 35 points a game.

At the annual banquet, Don Rees was selected as the most valuable player, and Bob Pirtle received the best mental attitude award.

*Intramurals*

Howe's intramural program, sponsored by Mr. Alvin Geier, offered shuffleboard, volleyball, badminton, ping pong, and bowling as well as basketball and baseball to boys not participating in inter-school athletics.

Basketball opened the season with evening play in two leagues. Ping pong and other indoor tournaments bridged the gap to baseball. Winners received recognition on Honors Day in June.

## *Baseball team posts winning season*

This year's baseball squad finished their season with a record of 12 wins and 6 losses, the best record in baseball since Howe began the sport in 1948. Wayne LeBeau limited the Greenwood team to four hits and struck out 10, as Howe won its opener 12-4. Bob Henninger had three hits to lead Howe at bat. Howe's Hornets next defeated Greenfield in a close game 5-3. Dick Stanley whiffed 13 and held Greenfield to six hits.

In the first doubleheader in Howe's history, our Hornets split, defeating Shortridge in a thriller 3-2, then losing to Zionsville 4-1. Cathedral's Bob Springer held Howe to three hits, gaining a 4-0 victory. Dick Stanley threw a two hitter to gain his third pitching victory as Howe shut out Washington 5-0.

Lawrence Central was Howe's next opponent and they were subdued to the tune of 10-2. LeBeau won his second game by limiting the Bears to four hits. Dick Schrier had two triples and a single and

Tom Cisco, a triple, to lead Howe at bat. Southport was next to fall before our Hornets, 4-1. Stanley won his fourth game by pitching six-hit ball and striking out six. Bob Schrier and Bob Pirtle each had two hits and Bob Henninger hit a homer to help Howe's cause.

Howe went on a batting splurge collecting 15 hits and as many runs in a romp over Manual 15-3. Howe batters again put on their hitting clothes and over-powered Attucks, 17-1. Dale Davis got a home run, and Ronnie Fox got credit for the win. Howe met Shortridge again and this time was defeated 11-9.

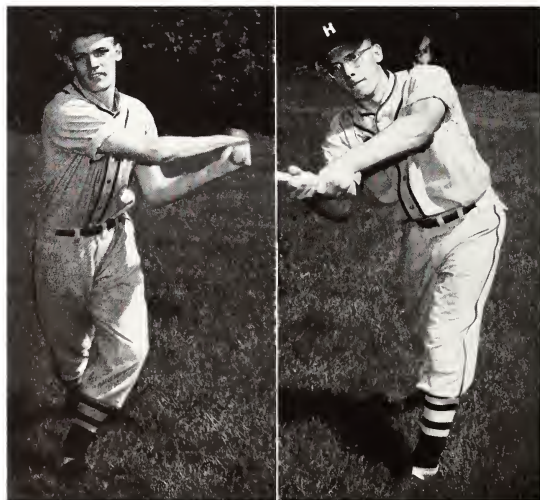

Ben Davis, playing on their home field, downed our Hornets 4-3 in a very close game. Dick Schrier had three hits in three times at bat to lead Howe. Howe next played Broad Ripple and defeated them 4-2. Bob Pirtle had three hits, including a double and triple and Bobby Schrier added two hits to lead Howe at the plate. Howe defeated Attucks in a game played at Ellenberger, 6-3. Dale Davis had three hits to lead Howe at bat. Anderson scored 11 runs in the sixth inning and defeated our Hornets 17-8.

Playing Cathedral for a second time, our Pierson-men defeated them 6-1. In the city tourney, Shortridge's city champs behind Denny Krick's no-hit pitching, defeated the boys from Irvington 8-0.

Dick and Bob Schrier and Dale Davis each had two hits as Howe won the season's finale from Warren, 9-3. Dick Stanley, the leading pitcher, won six games. Dick Schrier, the leading hitter, hit .450. Bob Pirtle was the most valuable player and Tom Cisco won the Kiwanis Award for the best mental attitude.

Coach Gilfoy's reserve boys finished their season with three wins and two losses. Don Layton and Bill Payne led the reserves in hitting.

Dick Schrier, right, demonstrates the batting stance that helped him to become the team's leading hitter. Bob Schrier, left, demonstrates his follow-through. Both Bob and Dick helped the Hornets to a winning season.

Presiding over the GAA this year are Margie Black, vice president, Judy Henderson, president, and Janice Brown, secretary.

Junior lifesavers of GAA swam at the YWCA twice a week. These girls are excellent swimmers and learn the fundamentals of life saving from Miss Diehl. They learn the proper holds for life saving, and also how to apply artificial respiration. Watching Dottie Cayton are Janice Brown, Jane Vogt, Dever McCaslin, Sylvia Miller, Barbara Henninger, Janet Gillon, and Melinda Buckley.

On December 19, the Winter Wonderland Dance was held in the Howe Gym, after school. Candidates for king were nominated by classes, freshmen, sophomore, junior, and senior. King Gary Crawford, senior, was crowned during the intermission. The Howe Dance Band played and entertainment included songs from Miss LaRue, Donna West, and Beverly Weevie. In keeping with the spirit of the event, Santa paid a visit to the dance. Candidates were (seated) Mike Leffler, Gary Crawford, Jerry Lowe, (standing) Tom Sheppard, Don King, Dick Patterson, Kent Stewart, and Dick Ponti.

# G. A. A.

This year the girls of the GAA have really been busy. In addition to their regular meetings on Thursday afternoon, they bowled at the Fox-Hunt alley on Mondays, and swam in the YWCA pool on Mondays and Wednesdays.

GAA members can participate in any or all of the following sports: swimming, bowling, golf, apparatus, track, and many more. In the spring, the GAA held its annual outdoor track meet, and a gym meet consisting of apparatus, rings, and tumbling events. On December 19, the GAA joined forces with the Lettermen's Club to sponsor the Winter Wonderland Dance.

The annual Music Festival, in which all vocal music groups participated, was held May 1. The choir is under the direction of Mr. Frank Watkins.

Mr. and Miss Music of 1952 were Donna Funk and Bob Hoffman. They were crowned at the Band Festival in March.

Under the leadership of Mr. Frank Watkins, the girls octet has sung for church and civic organizations throughout the city. The octet has achieved a fine reputation for Howe's music department through their many appearances. Patsy Shannon and Janice Kapp replaced Pat Dunigan and Shirley Watkins in January.

Mr. Paul Saunders directs the newly organized boys octet, which was formed in January. They have appeared in the Pleasant Run Revue, and at assembly dances, and other affairs.

Howe's band, of sixty members, marched in their new uniforms at eight home football games. The Annual Band Festival was patterned after the Boston Pops Concerts. Howe was the first high school in the city to present a concert of this type. The band also played at Open House in November, Christmas Community Sing, Commencement in June, many assemblies, and other community appearances.

The Choralaires, our all girl choir, sang at Open House, on the Monument steps at Christmas time, the Christmas assembly, the Group Sing at Shortridge in January, and "Young America Sings", a radio program.

The Dance Band provided the musical continuity for the Pleasant Run Revue. The organization is entirely new this year with the exception of one member. They also played at the senior winter and spring parties, the Winter Wonderland Dance, and grade school P-T. A. meetings.

The orchestra, appearing in new uniforms, provided incidental music for "I Remember Mama," and played at Open House, the Orchestra Festival in December, an assembly, district orchestra contest of I. S. M. A., the senior play and Grade School Orchestra Festival.

Nancy and Alice supervise Laura as she writes copy for the introductory section.

Our staff this year was the largest ever used at Howe to produce a year-book. The 1953 staff was headed by Alice Ray as editor-in-chief. She was assisted by Laura Fountain, associate editor; Nancy Endicott, copy editor; Barbara Brantner, business manager; Marcia Blake, assistant business manager; Jackie Ulmer and Shirley Watkins, senior co-editors; Tom Hunt, sports editor; Nancy Pflueger and Dave Taylor, assistant sports editors; Carol Jacobs, club editor; Linda Huffman, activities editor; Marilyn Moffett and Liz Johnson, co-underclassmen editors; Ann Bowen, make-up editor; Barbara Bennett, Barbara Fiers, and Carol Klusman, assistant make-up editors.

Jackie, Shirley, Liz and Marilyn compare the size of their pictures and the way they will be mounted.

Barbara, Barb, Ann, and Carol smooth out some of the many mounting problems.

# *yearbook turned out . . .*

For the first time in Howe's history the gals bought the tickets and provided corsages for their dates for the staff-sponsored "Turn-about Twirl" in April of 1952.

Laura Fountain, Carol Jacobs, and Alice Ray were our representatives at Indiana University for the Indiana High School Journalism Institute in July. These girls made the layout for the dummy from which this yearbook is produced. During Teachers Convention Laura Fountain, Linda Huffman, Barbara Fiers, Carol Jacobs, and Liz Johnson went to Franklin to the I. H. S. P. A. convention. We attended special lectures on various phases of producing a yearbook.

In the midst of planning the dummy and getting pictures taken came the Brown and Gold. Everything was tossed aside while preparations were made for the dance.

Deadlines always came too soon. We hurried to get our work done and then we would discover that some pictures or copy were overlooked or misplaced.

We wish to express our thanks to Mr. Robert Keene of the Indianapolis Engraving Company; Mr. Robert Moorhead of the Central Publishing Company; Mr. Gilbert Richey for the architectural drawing of the new wing; and to Mr. E. C. Loudermilk for his help with the pictures.

Pondering some of the expense problems of producing a yearbook are Marcia and Barbara.

Linda and Carol check dates for the many pictures that must be taken.

Tom, Nancy, and Dave are selecting the sports pictures to be used in their section.

# fun + work =

On March 19 and 20, the curtains opened on the 1953 Pleasant Run Revue climaxing weeks and weeks of hard work. First, there were the tryouts—hours of practicing and then those agonizing days of “Oh, I wonder if we made it.” But that was only the beginning! After the suspense was broken, those acts selected soon found the meaning of real work. Rehearsals and then more rehearsals were accompanied by stacks of homework (oh, those villainous teachers!).

Behind the scenes were the director, Mr. Darrell Gooch and his faculty assistants, Misses Shirley Diehl, Marjorie LaRue, and Jacqueline Smith.

# P. R. R. a la TV

As we tuned in our make-believe TV screen the girls' octet appeared singing "Life Upon the Wicked Stage." Before we had a chance to get situated, we were hit with a fast-moving western, "Dangerous Dan McGrew." By this time we knew that we were in for a very enjoyable evening. For the children there was "Snow White and the Ten Squares" and for the adults, that favorite quiz show, "What's My Talent." As usual, the old movies found their way to the screen, and we sat tearfully through the "Agonies of Adeline." These were just a few of the wonderful acts in our PRR a la TV.

Howe's Cheerleader's Club was very active this year thinking up new yells, and new routines for the old ones. The varsity did a swell job at the sectionals and we can well be proud of them.

Reserve cheerleaders, divided into two squads, cheered alternately at the reserve games.

Frosh cheerleaders were chosen from their own class in the fall, and did a fine job of leading the yells at all of the home freshman games.

Miss Marjie La Rue is the director of the club.

*... it took us all to*

*make Howe*

This is Howe's fifteenth year. Each year at Howe means much to us, but perhaps it means more to our principal, Mr. Charles M. Sharp. Mr. Sharp came to Howe in 1938 from Manual. Since then, he has become a familiar figure in the halls of Howe. The man who has the habit of rubbing his ear lobe has become an unforgettable friend to each graduate.

*our faculty . . .*

Information please! Boy, what a job! Besides answering countless questions our office force must issue forms, check absences, make up the payroll, etc. Student messengers are present each period to help them with this load.

All the first nighters were on hand to see the seniors' production of *Men Are Like Streetcars*. On the nights of April 24 and 25 makeup flew and cries of "Has anyone seen my left shoe?" were heard. Of course all of this was unseen by the audience, and once the cast was on the stage, only smooth actions and lines were exhibited. Senior critics have acclaimed the play as being super colossal and those who didn't attend missed seeing a theatrical milestone in Howe's history. Since this was the opinion of seniors only, we must show no prejudice and just say that the seniors did a fine job of acting.

# with the old traditions . . .

*Men Are Like Streetcars* is the story of a young girl in high school named Maudie. She has that "line" which she tosses at all the fellows. Like most "lines" her's backfires, resulting in a humorous plot.

Written by Graeme and Sarah Lorimer, the play was dramatized by Christopher Seigel. Mr. Darrell Gooch directed the following senior cast members:

# P. S. - Last minute developments . . .

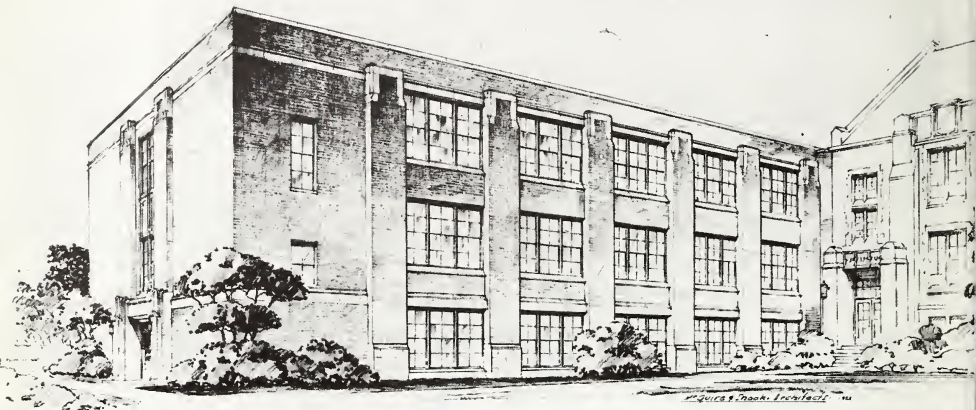

Something new has been added. Around the campus familiar landmarks have been disappearing and new structures are taking their places. Remember the old bridge that used to creak every time you walked across it? It was torn down, and a sturdy concrete span has replaced it. And we had to give up the old parking lot in order to make way for the new addition to the main building. It's a cold walk now from the new parking lot at the bottom of the hill to the Tower door. But we won't mind those extra steps when we've finally expanded into a new Howe.

Our tennis courts . . .

are now mechanized.

Here it is! A big sneak preview of our new addition. Someday (September, 1954, we hope) classes in English, math, music and art will be moved to new quarters. Classes were often disturbed this spring by the sounds of a riveting machine or a busy bulldozer, but teachers tried to ignore them as visions of new classrooms danced through their heads.

There's a new addition to the new addition too! Howe's new ROTC unit, complete with rifle range, will occupy the sub-basement. Fellow students are really looking forward to this, and some underclassmen are eager to revise their schedules to include the new program.
